

What are your customers looking for today? Trust, honesty, presentation, quality work and communication.

What sets you apart from the competition? We define custom building by craftsmanship, creativity and customer satisfaction.

Our goal is to build lasting relationships with our clients. We work with them to design, build and maintain a home that provides a lifetime of special memories. Our professional in-house team and full time office staff are always available to answer questions. The common thread in all of our projects, regardless of scope, is our dedication to customer service.

What does E.J. Jaxtimer Builder, Inc. specialize in? We are the only company on Cape Cod that offers multifaceted services: custom building, remodels and additions, new home construction, historic renovations, kitchens & baths, millwork, fine woodwork, property management, concierge services and home improvement.

“
We believe in quality over quantity and our goal is to build lasting relationships with our clients, many of whom have become lifelong friends.

E.J. JAXTIMER BUILDER, INC

E.J. Jaxtimer Builder Inc. is established in Hyannis.

1978

E.J. Jaxtimer Builder Inc. wins three Gold BRICC Awards for excellence in Remodeling, Outdoor Living Space, Historic Renovation/Restoration

2016

“At our 40th year in business, we have a new web site, a new internal technology system and we’re engaged in social media. E.J., remains as zealous about building as the day he began the business and he continues to be intimately involved with every component of the company.”

2018

“
The ability to create an outdoor living space that meets the needs of the client using both plants and stone is the most amazing feeling of accomplishment when the project is done.

JAXTIMER LANDSCAPING, LLC

E.J. Jaxtimer Building establishes a landscaping division, Jaxtimer Landscaping, LLC, after recognizing their customers’ need for landscape services.

1988

Jaxtimer Landscaping, LLC wins a Gold BRICC award for Excellence in Landscape/ Garden Design over \$50,000

2016

“We recently hired a new General Manager and a ISA Certified Arborist; we plan to provide more arbor-care services in house, including detailed tree and shrub care, plant health management and tree removal. We are adding more irrigation installation and service work in house and increasing our numbers of certified/and or licensed technicians in all areas of the business.”

2018

What does Jaxtimer Landscaping, LLC specialize in?

In a nutshell, we specialize in worry free outdoor living. Our services include landscaping maintenance, design and construction, fine gardening, snow removal, outdoor living and estate management. Our distinctive all-inclusive services offer our clients the ability to have many choices with one phone call.

What do your clients seek?

Our clients rely on us to provide them with a place for their family to relax and enjoy. We work out all the details outside of their home, which allows them to relax and enjoy Cape Cod.

Who makes up your landscaping team?

Landscape designers, certified irrigation specialists, arborists, landscape managers and snow-removal experts. Our talented professionals are passionate about building and maintaining beautiful outdoor spaces and about horticulture. We work closely with customers to develop a customized maintenance program that meets their every need.
