Giving Opportunities

Individual gifts, no matter how "big" or "little," help set a child on a path to success and allows us to keep doing what we do best: empowering kids in our community to thrive. Your donation is an investment in the people, systems, and technology that allow us to create and support matches between children and caring adults. And we hold ourselves accountable to our donors by regularly measuring the impact of our work. Relationships are at the core of our mission, and we welcome all potential donors to reach out and learn more about the impact their gift makes for the children we serve. www.capebigs.org.

Volunteer Opportunities

- **Become a Big!** With a waitlist that sometimes reaches over 100 children, the need for volunteer mentors, especially male mentors, is always needed.
- **Join a Committee!** Our fundraising committees are looking for individuals who are passionate about raising funds to further our mission.
- **Join our Leadership!** On both the Cape & MV we are seeking leaders to join our boards to help further our mission.
