Since its inception in 2017, the Charter Cup Fishing Tournament has raised over \$1.1 million. The tournament gives 100% of the profits raised to participating nonprofits that provide much needed services, including: emergency flights for critically ill patients, physical/mental fitness for people in recovery, programs for physically/mentally challenged adults, and equitable healthcare for the homeless. It also supports kids fighting cancer, early childhood education, addiction intervention and rehabilitation, local law enforcement efforts, at-risk youth programs, affordable housing projects, and affordable healthcare for diabetics.

This year, the 7th Annual Charter Cup Fishing Tournament, to be held on Wednesday, July 12, 2023, will raise funds for Angel Flight, Barnstable Police K9 Foundation, Big Brothers Big Sisters of Cape Cod and the Islands, Cape Abilities, Duffy Health Center, Gosnold, Inc., Habitat for Humanity of Cape Cod, Housing Assistance Corp (HAC), Joslin Diabetes Center, May Institute, Tommy's Place, WellStrong, the Yarmouth Police Foundation, and YMCA Cape Cod.
